About Dominion Diamond Mines

Dominion Diamond Mines is a Canadian diamond mining company with ownership interests in two major producing diamond mines situated approximately 200 kilometers south of the Arctic Circle in Canada’s Northwest Territories. The Company operates the Ekati Diamond Mine, in which it owns a controlling interest, and also owns 40% of the Diavik Diamond Mine. It supplies rough diamonds to the global market through its sorting and selling operations in Canada, Belgium and India and is Canada’s largest independent diamond producer.
