Vehicle Parking at External Driveway, BDB
Attention Please!!!
HELP US TO SERVE YOU BETTER

It has been observed that footfall in BDB is increasing considerably day by day. Vehicular inflow is also on the rise. Most of these vehicles, being authorized, are parked in the basement. Quite a few vehicles remain parked on External Driveway throughout the day.

External Driveway is meant for smooth internal movements of the vehicles visiting BDB. DROP OFF/PICK UP facilities are given for the convenience, and not as a right, to the visiting vehicles. We have principally agreed to allow maximum 20 minutes halting period for the same.

We are requesting all the members to educate their Drivers/employees to strictly follow the norms laid down by management in this regard.

In the light of the above facts, following advisory is being issued for favour of compliance:

1. External Driveway shall be used for DROP OFF/PICK UP only.
2. Please advise your drivers to not to bring the vehicles on the driveway well in advance and halt on the External Driveway beyond the stipulated period of maximum 20 minutes.
3. Please follow the Speed Limit, as it is a safety hazard for pedestrian
4. Unauthorized parking on the Driveway will be treated as non-compliance and necessary disciplinary action shall be initiated.
 - a) 1st Default – Warning letter.
 - b) 2nd Default – Vehicle restriction for 06 months.
5. For any kind of assistance, Please contact 93216 52606 or mail us on security.controlroom@bdbindia.org
